Review:

I have to admit, the day Dan first called to tell my husband there were surplus funds available from the sale of his father's house, I was a bit sceptical. That old adage "if it sounds too good to be true..." Well, in this case, it was not. Dan took the time to fully answer all of my questions, regardless of how trivial they may have been. He was honest in setting the proper expectation for the timeframe for receipt of funds, potentially compounded by the pandemic and then-approaching holidays. After I sent him the needed forms, we stayed in communication via email (and occasional phone call) throughout the recovery process. It was indeed a happy day when the funds arrived!

Thankyou Dan for all of your efforts on my behalf. I will certainly highly recommend you & your recovery service to anyone who might ask!
