Review:

I am so appreciative of Dan's assistance. After my sister passed, we had no idea how the auction of the house worked. 7 years later he contacted us letting us know about the unclaimed money. ~~He~~ After signing off with him, he handled everything and it couldn't have been easier on us. We just received a check. I highly recommend him, he knows the "ins & outs" of how to recover funds.

Many Thanks!

Mary Boss
